WITH

The Morrisville Chamber

The mission of the Morrisville Chamber of Commerce is to promote business, enhance economic and community development while serving as a champion for improving the overall quality of life in the region. The Chamber aims to provide the building blocks for economic development, entrepreneurship and civic engagement. By being a member of the Morrisville Chamber, you receive exclusive access to services such as ribbon cuttings, member to member deals, member-only pricing for events and programs, and free advertising via social media and the weekly e-newsletter.

The Chamber is lead by a small but dedicated staff, committees of volunteers and the Board of Directors. The board's membership is diverse, with corporate and small business leaders serving to represent the business community of Morrisville and the broader Triangle area.

Board members help to determine the Chamber's policy positions on business issues and advise the Chamber on strategies and policies, ultimately leading the way in improving Morrisville's long-term business climate.

MOON ANGEL SWEETS

Moon Angel Sweets, founded in 2021, brings the delicious tastes of Northeastern Brazil to the US. They specialize in gourmet chocolate brigadeiros, Brazil's favorite sweet. As a socially conscious enterprise, they are driven by their social mission to provide dignified work opportunities to adults with intellectual & developmental disabilities. This Holiday season, they are donating 15% of sales to non-profit organizations like GiGi's Playhouse, Dorcas Ministries and Big Brother Big Sister of the Triangle.

The Town of Morrisville

Morrisville has been one of the fastest growing and most diverse towns in North Carolina. Morrisville is a place to gather together, talk with neighbors, and engage with Town leaders. It is a warm and welcoming community, validating the Town's ideology and philosophy, "Live Connected. Live Well." In 2022 Morrisville was named the No. 5 Best Place to Live for Families by Fortune Well, a living and wellness subsidiary of Fortune.com. The Town was recognized as an All-America City by the National Civic League in June 2021, one of only 10 communities nationwide to earn this recognition. Morrisville was also rated by Niche.com as the No. 1 Best Place to Live in North Carolina in November 2021.

The community embraces small-town ideals with the conveniences and amenities of a metropolitan city available in Town or within easy access nearby. Morrisville is located adjacent to Research Triangle Park – a national hotbed of technological development, hosting over 250 companies and 50,000 workers. The Town's economy is based on highly skilled professional and technology industries and a population that is diverse, affluent, and highly educated. The Town is conveniently located within 10 minutes of the Raleigh-Durham International Airport, has immediate access to Interstates 40 and 85, and is expected to be home to a transit station for a regional light rail system.
